**CLASS IX**  
**HOLIDAY HOMEWORK**

**Important instruction:**

Do atleast two subjects homework of your choice.

Sr No	Subject	Homework
1.	English	Festivals are not just about celebration, they are about remembrance and reflection. After celebrating Dussehra, write a descriptive paragraph (100–120 words) describing the event - the Ravana Dahan you witnessed – the sights, sounds, emotions of the crowd and what the burning effigy symbolized to you. Highlight not only the celebration and atmosphere but also the values, lessons and emotions connected with it.
2.	Hindi	आपके क्षेत्र में लगने वाले दिवाली मेला के लिए एक आकर्षक विज्ञापन लिखें । या आगामी त्योहारों के उत्साह को व्यक्त करते हुए दो मित्रों के मध्य संवाद लिखें ।
3.	Maths	Task : Quadrilaterals Around Me Q1. Make your own 2 riddles or puzzles based on quadrilaterals. Example: "I am a quadrilateral with diagonals of equal length but not necessarily perpendicular. Who am I?" (Solution: Rectangle/Isosceles Trapezium depending on clue) Q2. In 5–6 lines, write how properties of quadrilaterals help in real-life situations (e.g., construction, design, architecture).
4.	Science	Do any one topic out of three in your fair notebooks. 1) Design a flowchart or cartoon strip showing how food from the farm reaches our plate, highlighting at least three modern scientific methods that improve yield. OR 2) Create a real-life story (short paragraph or comic) where different forms of energy transform into each other (e.g., electrical → light → heat). OR 3) Write a short paragraph titled "Atoms and Molecules in my kitchen."
5.	SST	Prepare a list of 10 Prime ministers of India and key events during their tenure in your fair notebook.
